Who We Are

HotShots559 is a local, family-run business dedicated to bringing fun to kids and adults alike through our mobile NERF battles! Established in 2019, we are the **first and only mobile NERF battle business in the Central Valley** and we are proud to have facilitated battles for private parties, day care centers, businesses, churches, and schools.

How We Help You Raise Funds

We **LOVE** our local school districts and want to help you raise the money you need to help kids in our communities!

When you partner with HotShots 559, your event will pay for itself and **raise your school approximately \$800-\$2,300!**

Sell raffle tickets or wrist bands that kids will exchange for one 15 minute facilitated battle session. We host up to 30 players per arena for each session, so at \$5 per player you **make up to \$300-\$800 per hour!**

We bring all of the supplies, including blasters, jerseys, eye protection, barriers, and wrist bands.

Pricing

We charge \$1,000 for 1 arena or \$1,300 for 2 arenas for a 3 hour event.

We require 1 hour before and after the event for set up and tear down.

We are already on the **approved vendor list** for Fresno and Central Unified School Districts.
